ADVANCED SHOULDER ARTHROSCOPY & ARTHROPLASTY CADAVER COURSE

Date : 26th January 2025

The Advanced Shoulder Arthroscopy and Arthroplasty Course is designed for Orthopaedic Surgeons seeking to enhance their expertise in Shoulder Surgery Techniques.

Led by renowned shoulder surgeons across India, this comprehensive program combines theoretical instruction along with hands-on wet lab training at Ramaiah Advanced Learning Center, Bangalore.

Participants will gain practical experience performing Shoulder Arthroscopy and Arthroplasty procedures on cadaver specimens, with a personalized 3:1 trainee-to-cadaver ratio.

Upon completion, each delegate would have the knowledge empowering them to confidently take their first steps in Advanced Shoulder Arthroscopy and Arthroplasty.

Programme Highlights

- Experienced National Faculty
- Hands on Cadaver Workshop

Programme Covers

- Advanced Shoulder Arthroscopy
- Advanced Shoulder Arthroplasty
