"A unique
learning opportunity
for Plastic, Trauma
& Reconstructive
Surgeons !!"

Department of Plastic Surgery
M S Ramaiah Medical College & Hospitals

Hands on
Cadaver Training :
Flap Dissection
Workshop

4th & 5th of April, 2014

Venue:

M S Ramaiah Advanced Learning Center

M S R Advanced Learning Centre

A thorough knowledge of anatomy and blood supply of skin is essential to the planning of various flaps in plastic surgery for reconstruction. Surgical training in flaps should include the hands on cadaver dissection on regular basis in order to gain proficiency in flap dissection and also to acquire more knowledge with regard to the vascular basis of flap.

As Sushruta - Father of Plastic Surgery aptly said regarding the dissection of dead body by students of surgery, **"without practice you are like one wing bird that is incapable of flight, you train your knife repeatedly first on natural and artificial object, resembling the disease parts of the body before actually undergoing an actual operation"**.

We are pleased to announce the cadaver flap dissection course at the state of the art **"M. S. R. Advanced learning centre"**. The course is best suited for trainees in plastic, Trauma & Reconstructive surgery.

The candidates will get individual attention and hands on opportunity to perform **"FLAP DISSECTION ON CADAVERS UNDER THE ABLE GUIDANCE FROM EXPERTS IN THIS FIELD"**

We welcome you to participate in this hand on

"Cadaver flaps dissection workshop".

Dr. D. C. Sundaresh
President
M S R Advanced Learning Center

Course Schedule

Friday 04-04-2014

8.30-09.00 am	Inauguration
9.00-09.45 am	TRAM / DIEP
9.45-10.30 am	ALT
10.30-11.15 am	Radial forearm flap
11.15-1.30 am	Hands on dissection
1.30-2.15 pm	Lunch
2.15-3.00 pm	Leg perforator flaps
3.00-3.30 pm	TFL
3.30-4.00 pm	Gracilis Free flap
04.00-06.00	Hands on dissection

Saturday - 05-04-2014

09.00-09.30 am	Post Interosseus artery flap
09.30-10.15 am	Free fibula flap
10.15-11.00 am	Lat dorsi flap
11.00-1.30 pm	Hands on dissection
01.30-2.15 pm	Lunch
02.15-3.00 pm	PMMC & DP
03.00-3.30 pm	Gastrosoleus flap
03.30-05.00 pm	Hands on dissection

* Groin flap, Parascapular / scapular flap, Digital island flap-if time permits
