**M S Ramaiah
Advanced Learning Center**

**Advanced Knee
Arthroscopy
Cadaveric
Workshop**

April 15th, 2012

M S R Advanced Learning Centre

M S R Advanced Learning Centre is a one of its kind Cadaver Surgery training center dedicated to provide quality training in all surgical specialties.

Facilities are available for open surgery as well as all types of minimally invasive surgeries.

Arthroscopy is a useful tool in the armamentarium of an Orthopedic surgeon which has a steep learning curve. Learning this useful procedure on a cadaver simulating the live patient is an experience in itself.

The objective of this cadaveric workshop is to train young surgeons to do Arthroscopic ACL and PCL reconstruction in a classical way and enjoy a hands on experience in Arthroscopy of the knee joint.

Dr. D. C. Sundaresh

President

M S R Advanced Learning Center

Program at a glance

- Anatomy and Biomechanics of ACL
