LEARNING CENTER

Department of Neurosurgery,  
Ramaiah Medical College and Hospitals

KMC  
Accredited

# Cranio-Vertebral Junction and Endoscopic Cervical Spine CME

Saturday & Sunday, February 1st & 2nd, 2020  
Time : 8 am - 5 pm

Venue : Ramaiah Advanced Learning Centre

# Course Introduction

“ More practical less Didactic” should be the theme of most cadaver dissection courses and that is basically what will be followed in this course

Cranio- Vertebral Junction and Cervical Sub-Axial spine surgeries have very low threshold for errors due to complex anatomy and proximity of Vertebral artery to screw trajectory. Surgeries in this area is considered complex and risky even to the most experienced surgeons. Hence adequate practise on cadavers prior to performing live surgery is very important and this course gives each delegate adequate opportunity to do the same.

This will be a two day course with case discussion and live surgery on C1-2 fixation and Endoscopic Cervical Lamino-Foraminotomy and CME , so delegates will learn from the experts the right techniques and can practice the same on cadavers.

M.S Ramaiah Medical college and Hospital is well know for conducting courses in their well equipped Advanced Learning Centre, hope this course benefits each of the delegates.

With Regards

**Dr Rakshith Srinivasa**

(Course Director)

## Learning Objectives

- Relevant Surgical Anatomy of CVJ and Sub Axial Spine
- Vertebral Artery Course in relation to exposure and screw trajectory.
- C1-C2 fixation techniques and manuevers
- C1-C2 spacer introduction techniques
- Endoscopic Cervical Lamino-foraminotmy and discectomy

Organising Chairman  
**Dr A S Hegde**

Organising Director  
**Dr Rakshith Srinivasa**

Organising Committee  
**Dr Sunil V Furtado**  
**Dr Shabari Girishan**  
**Dr Parichay Perikel**

---

## **National Faculty**

Dr Pravin Salunke, Associate Professor Neurosurgery PGI Chandigarh  
Dr Sukumar Sura, Senior Consultant Neurosurgery Yashodha Hospital Hyderabad  
Dr Balamurali, Senior consultant Neurosurgery, Kauvery Hospital Chennai

---

## **Program**

### **February 1st - Saturday**

8 am	Registration and Breakfast
8.30am	ALC introduction - Dr Shakuntala
8.45am	Introduction Of Faculty and Course Preview - Dr Rakshith
9.00am	Anatomy of Cervical Spine - Dr Pranoy
9.15am	Cervical Lamino foraminotomy Endoscopic - Dr Sukumar Sura
9.30am	Minimal Invasive Cervical Lamino- Foraminotomy - Dr Balamurali
9.45am	Subaxial Cervical Pedicle Screws - Dr Bala murali
10am-12pm	Endoscopic Lamino-foraminotomy Live operative session - Dr Sukumar Sura
12.15-1.30pm	Cadaveric Demonstration - Dr Sukumar Sura and Dr Balamurali
1.30pm	Lunch
2 - 5pm	Cadaveric dissection by delegates
7pm	Banquet

## Program

### 2nd February Sunday

8 am	Introduction of Faculty - Dr Rakshith
8.15 am	Concepts in C1-C2 fusion - Dr Pravin Salunke
8.30 am	Special Maneuver's in CVJ - Dr Pravin Salunke
8.45 am	Relevant Anatomy of Axis and Atlas Vertebra - Dr Pranoy
9 - 12 pm	Live operative Session C1-C2 fusion - Dr Pravin Salunke
12.15 pm	Demonstration of C1- C2 fusion on Cadaver - Dr Pravin Salunke
1.00 pm	Lunch
2 - 5 pm	Cadaveric Dissection Delegates - C1-C2 fusion
5.15 pm	Tea
5.30 pm	Vote of Thanks and Valedictory Function - Dr Rakshith Srinivasa

---

#### Registration Fees

**Professionals Rs. 15,000**

**Post Graduate Students Rs. 10,000**

Course intake - 14

For Registration contact :

**Secretary to Chief, MSRALC**

Ph: 08022182819 /

email- info@msralc.org
