**NOV 2025**

**27 - Workshop**  
Q RAMAIAH ADVANCED LEARNING CENTER

**28 & 29 - Conference**  
Q SHERATON GRAND BANGALORE HOTEL,  
BRIGADE GATEWAY, RAJAJINAGAR

THEME

**PRECISION,  
PERSONALISATION  
& PROGRESS**

# INTERNATIONAL FACULTY

**Dr Andreas Schulze-Bonhage**

University Hospital Freiburg,  
Germany

**Dr Felice D'Arco**

Great Ormond Street Hospital,  
London, UK

**Dr Andrew Parrent**

Western University, London,  
Ontario, Canada

**Dr Giovanni Pellegrino**

Western University,  
London Ontario, Canada

**Dr Basant Pant**

Annapurna Neurological  
Institute & Allied Sciences,  
Kathmandu Nepal.

**Dr Maeike Zijlmans**

UMC Utrecht Brain Center,  
Netherlands

**Dr Jonathan Lau**

Western University,  
London Ontario, Canada

**Dr Pauly Ossenblock**

Clinical Neuro-Science projects,  
Amsterdam

**Dr Jorge Burneo**

Western University,  
London, Ontario, Canada

**Dr Shruthi Agashe**

Duke University, Durham, USA

**Dr Stefan Rampp**

University Hospital Erlangen,  
Germany

**WORKSHOP**  
**(RAMAIAH ADVANCED LEARNING CENTER) 27TH NOV 2025**

# **WORKSHOP A: NEUROSURGERY- CADAVERIC DEMONSTRATION AND HANDS-ON-EXPOSURE TO EPILEPSY SURGERY TECHNIQUES**

**TIME: 8:30 AM - 05:00 PM**

| <b>TIME</b>                | <b>TOPIC</b>  | <b>FACULTY</b>                       |
|----------------------------|---|--------------------------------------|
| <b>09:00 AM</b>            | Introduction  | Dr Ravi Gopal Varma                  |
| <b>09:10 AM - 09:25 AM</b> | Evolution of Hemispherotomy   | Dr Sharath Chandra                   |
| <b>09:26 AM - 09:40 AM</b> | Didactic Lecture on Callosotomy   | Dr Ashok Pillai                      |
| <b>09:41 AM - 09:55 AM</b> | Didactic Lecture on Disconnections  | Dr Mathew Abraham                    |
| <b>10:00 AM - 11:00 AM</b> | Demonstration of ATL-AH   | Dr Andrew Parrent                    |
| <b>11:00 AM - 01:00 PM</b> | First Batch will go for Hands On  |                                      |
| <b>11:00 AM - 01:00 PM</b> | Demonstration of Callosotomy and Disconnection                              |                                      |
| <b>Then they swap</b>      |   |                                      |
| <b>01:30 PM - 03:30 PM</b> | The second batch will disperse for Hands On                                 |                                      |
|                            | First Batch will be shifted for Demonstration and as a Pre recorded session | Dr Ashok Pillai<br>Dr Mathew Abraham |
| <b>03:30 PM - 04:15 PM</b> | Demonstration of RF on Egg  | Dr Basant Pant                       |
| <b>04:15 PM - 05:00 PM</b> | Auto guide assisted SEEG Implantation                                       | Dr Nirmala S                         |

# WORKSHOP B: NEUROLOGY AND NEUROPHYSIOLOGY

| TIME   | TOPIC   | FACULTY                                   |
|--|---|---|
| <b>Session I - Stereo-EEG</b>                      |   |   |
| 9:15 AM-9:30 AM                                    | Introduction and workshop goals   | Dr Ravish Keni                            |
| 9:30 AM-9:50 AM                                    | Hypothesis generation in Drug Resistant Epilepsy  | Dr Manjari Tripathi                       |
| 9:50 AM-10:10 AM                                   | Indications and planning logic of stereo EEG: symptomatogenic, irritative, seizure-onset and propagation zones<br><br>Stereo EEG approach in lobar epilepsies | Dr Divya Nagabushana                      |
| 10:10 AM-10:30 AM                                  | sEEG in temporal lobe epilepsy  | Dr Joe James                              |
| 10:30 AM-10:50 AM                                  | sEEG in frontal lobe epilepsy   | Dr Raghavendra S                          |
| 11:00 AM-11:20 AM                                  | sEEG in posterior quadrant epilepsy   | Dr Ajay Asranna                           |
| 11:20 AM-11:30 AM                                  | <b>Stereo EEG montage setup and referencing</b>   | Mr Sajeesh Parmeswaran                    |
| 11:30 AM-11:50 AM                                  | <b>Stereo EEG practical reading and sEEG guided decision making</b>   | Dr Poornima Narayanan                     |
| <b>Practical case based planning exercise</b>      |   |   |
| 11:50 AM-12:20 PM                                  | Case 1  |   |
| 12:20 PM-12:50 PM                                  | Case 2  |   |
| 12:50 PM-1:00 PM                                   | <b>Wrap-up &amp; Key Takeaways</b>  |   |
| <b>Session II- Electrical Source Imaging (ESI)</b> |   |   |
| 2:00 PM-5:00 PM                                    | ESI indications, basics, case discussions, hands on training on BESA  | Dr Stefan Rampp,<br>Mr Vibhin Viswanathan |

# WORKSHOP C: COMBINED WORKSHOP FOR ALL PARTICIPANTS

TIME: 5:00 PM-7:00 PM

| TIME            | TOPIC  | FACULTY                                |
|-----------------|--|--|
| 5:00 PM-6:30 PM | Combined workshop for Neurologist, Neurosurgeons and Neurophysiologists on Multi-modal imaging integration using MIND software | Dr Stefan Rampp and Dr Pauly Ossenblok |
| 6:30 PM-7:00 PM | Lesion hunting   | Dr Stefan Rampp                        |

# CONFERENCE HIGHLIGHTS

## Cutting-Edge Knowledge

Stay ahead with the latest breakthroughs in epilepsy diagnosis, surgical innovations, and therapeutic strategies.

## Expert Insights

Learn directly from leading neurologists, neurosurgeons, and global thought leaders shaping the future of epilepsy care.

## Hands-On Learning

Experience live case discussions, surgical videos, and practical workshops to enhance your clinical skills.

## Collaborate & Network

Build valuable connections with peers, mentors, and pioneers in the Epilepsy care community.

## COMMITTEE MEMBERS

**Dr Ravi Gopal Varma**  
Organising Chairman

**Dr Ravish Keni**  
Organising Secretary

**Dr Nirmala S**  
Organising Secretary

**Dr Poornima Narayanan**  
Co Organising Secretary

**Dr Muralikrishnan V P**  
Co-Organising Secretary

**Dr Sreekumar T K**  
Co - Organising Secretary

**Dr Harini P**  
co-organising secretary

**Dr Pavana V**  
Scientific program  
co-ordinator

**Mrs Hemavathi A**  
Treasurer, Assistant Manager,  
Neurosurgery, Aster CMI Hospital

**Mr Malleth H**  
Neuroscience Marketing manager  
Aster CMI Hospital
