

7TH ICVC
International Cadaveric Vascular Course
14th February 2026

Organized by
The Departments of Vascular & Endovascular Surgery

8:30 - 9:00am - Registration & Pre-course briefing
9:00 - 9:45am - Didactic Lectures
- Surgical anatomy
- Retroperitoneal vs trans peritoneal exposure
- Clamp zones of aorta
- Visceral rotation maneuvers
9:45 - 10:00am - Coffee Break
10:00 - 11:30am - HANDS-ON – MODULE 1
(I) Supraceliac aorta control
- Clamping in RAAA
- MALS release
(II) Mattox Maneuver – Left medial visceral rotation
- Renal
- SMA origin
- Celiac trunk
(III) Cattell–Braasch Maneuver – Right medial visceral rotation
- Suprarenal / infra renal / retro & sub-hepatic IVC
- Portal vein & branches
11:30 - 1:00 pm - HANDS-ON – MODULE 2

(IV) Kocherisation
- Juxta-renal exposure
- CIA, IIA, EIA exposure
(V) Anterior approach to LS spine
1:00 pm to 1:30 pm - Lunch Break
1:30 to 2:15 pm - Didactic Lectures
- Juxta-renal anatomy
- Renal protection
- Visceral reconstruction
- Aorto-iliac reconstruction
2:15 pm to 3:45 pm - HANDS-ON – MODULE 3
(VI) Mesenteric Embolectomy / debranching / reimplantation
(VII) Juxta-renal clamping / anastomosis
- Renal protection
(VIII) Aorto-iliac endarterectomy
- Aorto-iliac reconstruction
3:45 to 4:15 pm – PMEG / Branch Device Deployment - Demo
4:15 to 4:30 pm - Feedback, Debrief & Certificate distribution
4:30 pm - Coffee & Disperse

7th ICVC is Supported by
 & 
in Continuing Medical Education

Course Fees:

	INDIAN		FOREIGN
	Consultant	Resident	
Primary Surgeon:	Rs. 15,000/-	Rs. 10,000/-	300 USD
Assistant Surgeon:	Rs. 10,000/-	Rs. 6,000/-	200 USD
Observer:	Rs. 5,000/-	Rs. 4,000/-	150 USD
