1st Minimal Invasive Transforaminal Endoscopy Training Program

Dear Friends,

Greetings from Bangalore

On behalf of M S Ramaiah Institute of Neurosciences and M S Ramaiah Advanced Learning Centre Bangalore, it gives us immense pleasure to invite you all for this cadaveric Hands-on workshop and live surgery symposium on Minimal Invasive Transforaminal Endoscopy Training program being held at MSR Advanced Learning Center on 10th and 11th of May 2014.

'M.S. Ramaiah Advanced Learning Center, hosts arguably the best and state-of-the-art Cadaver Lab in India. The lab is fully equipped with high quality fresh frozen cadavers, all necessary surgical instruments, adjustable skull pin fixators, C-arms & Microscopes for each cadaver station. I am sure it will be a life time experience to work and get trained at this centre and we are looking forward to see you in the month of May.

Thank You

Dr. A. S. Hegde, Director M S Ramaiah Institute of Neurosciences

Dr. Ravi Gopal Varma, Professor & Head Department of Neurosurgery

FACULTY

[Dr. Satish Chandra Gore](#)

Dr. Satish Chandra Gore is the pioneer of spine endoscopy and stitchless disc surgery under local anesthesia. Dr.Gore is the only Indian to be certified by American academy since its inception in 1999. Currently, he is the vice president of Asian congress of MISS. Dr.Gore is awarded for his methodology that differentiates cases needing surgery and non operative treatment based on "Gore Sign". His notable contribution to world of safe spine surgery is GORE SYSTEM (made and marketed by KARL STORZ Endoscopy Germany) now used world over.

[Dr. Anand S. Kavi](#)

Endoscopic Spine Surgeon, Prime Surgical Center, Pune
